ADDENDUM #2
for RFP CDHS 4260-179.1
HIPAA Remediation Services

To All Bidders:

This cover letter is in reference to Addendum #2 to RFP CDHS 4260-179.1. New and revised text appears as a tracked change and is marked with a vertical line in the margin of the page. All other terms and conditions of the RFP remain the same.

The following are major changes included in this addendum:

Section	Description
Section IV.4	Interface requirements have been more fully described.
TR 42B	Project manager certification for the proposed project manager has been made non-mandatory.
TR 49B	Microsoft certification has been added as a non-mandatory requirement for proposed project staff.
Other TRs	Functional and technical requirements have been clarified and amended.
Bidders Library	Billing manuals and rate tables have been given website addresses for bidders to access.

The changes included in this addendum are significant and should be reflected by each bidder in the Final Proposal.

Note that the questions that have been asked about the requirements of this procurement have generated significant changes to the requirements of the RFP.

Please contact me if you have any questions.

Sincerely,
